Health & Safety for Safety Representatives

HS007

Health & Safety for Safety Representatives

The Safety Health and Welfare at Work Act 2005 facilitates the selection of Safety Representatives to represent workers in the consultation process with employers. This three day course will familiarise participants with the role of the Safety Representative. At the end of the course delegates will be able to promote and maintain safety and health in the workplace and effectively represent fellow employees on health and safety issues.

The course content follows the recommendations in the Health and Safety Authority (HSA) Safety Representatives and Safety Consultations guidelines.
